

MILLS BRANCH/WOODSTREAM MARLINS SWIM TEAM

SPONSORSHIP FORM

We, the Mills Branch-Woodstream Marlins, are a summer league swim team and a (501c) non-profit organization. Our primary purpose is to provide a safe and fun environment for children in our community to participate in swim events in accordance with the rules and regulations established by the Northwest Aquatic League (NWAL).

Each summer we offer swimming practices and promote events and activities for over 180 children ages 5 to 18. Our goal is to develop in our swimmers not only the love for the sport but the attributes of a great athlete, such as self discipline, commitment, teamwork, perseverance, and the courage to always take the next challenge. All this is achieved whilst having a great time during the summer!

We need your help to maintain our summer swimming program while keeping our fees as low as possible.

For this reason, we are asking local businesses like yours to support our team and help us continue our tradition.

With great appreciation,

The MBW Board Members & Parents
